

# Pressure indicator OH-8-GE

Part number: 10091

FESTO

## Data sheet

 General operating condition

| Feature                            | Value                                                                                      |
|------------------------------------|--------------------------------------------------------------------------------------------|
| Symbol                             | 00991500                                                                                   |
| Operating pressure                 | -0.1 MPa ... 0.8 MPa                                                                       |
| Operating pressure                 | -1 bar ... 8 bar                                                                           |
| Operating pressure                 | -14.5 psi ... 116 psi                                                                      |
| Explosion protection               | Zone 1 (ATEX)<br>Zone 2 (ATEX)<br>Zone 21 (ATEX)<br>Zone 22 (ATEX)                         |
| Operating medium                   | Compressed air to ISO 8573-1:2010 [7:-:-]                                                  |
| Note on operating and pilot medium | Lubricated operation possible (in which case lubricated operation will always be required) |
| LABS (PWIS) conformity             | VDMA24364-B1/B2-L                                                                          |
| Ambient temperature                | -10 °C ... 60 °C                                                                           |
| Pneumatic connection               | Barbed fitting PK-3                                                                        |
| Note on materials                  | RoHS-compliant                                                                             |
