

**Manifold rail**  
**VABM-C8-12E-G14-8-PT-L**  
Part number: 1247977

**FESTO**

 [General operating condition](#)

**Data sheet**

| Feature                                      | Value                                                 |
|----------------------------------------------|-------------------------------------------------------|
| Grid dimension                               | 12 mm                                                 |
| Max. number of valve positions               | 8                                                     |
| UKCA marking (see declaration of conformity) | To UK instructions for EMC<br>To UK RoHS instructions |
| Corrosion resistance class CRC               | 0 - No corrosion stress                               |
| LABS (PWIS) conformity                       | VDMA24364-B1/B2-L                                     |
| Max. tightening torque for valve mounting    | 0.6 Nm                                                |
| Max. tightening torque wall mounting         | 5 Nm                                                  |
| Product weight                               | 727 g                                                 |
| Pneumatic connection, port 1                 | G1/4                                                  |
| Pneumatic connection, port 3                 | G1/4                                                  |
| Pneumatic connection, port 5                 | G1/4                                                  |
| Note on materials                            | RoHS-compliant                                        |
| Material manifold rail                       | Wrought aluminium alloy                               |
