

# Barbed T-connector FCN-3-PK-3

Part number: 14768

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                       | Value                                                                                      |
|-----------------------------------------------|--------------------------------------------------------------------------------------------|
| Nominal size                                  | 2 mm                                                                                       |
| Operating pressure complete temperature range | -0.95 bar ... 10 bar                                                                       |
| Operating medium                              | Compressed air to ISO 8573-1:2010 [7:-:-]                                                  |
| Note on operating and pilot medium            | Lubricated operation possible (in which case lubricated operation will always be required) |
| LABS (PWIS) conformity                        | VDMA24364-B1/B2-L                                                                          |
| Ambient temperature                           | 0 °C ... 60 °C                                                                             |
| Pneumatic connection, port 1                  | For tubing outer diameter of 4 mm                                                          |
| Note on materials                             | RoHS-compliant                                                                             |
| Material housing                              | Die-cast zinc                                                                              |
