

# Swivel flange SUA-25-R3

Part number: 176885

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                              |
|--------------------------------|----------------------------------------------------|
| Size                           | 25                                                 |
| Mounting position              | optional                                           |
| Variants                       | High corrosion protection                          |
| Corrosion resistance class CRC | 3 - high corrosion stress                          |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                                  |
| Product weight                 | 45 g                                               |
| Note on materials              | RoHS-compliant                                     |
| Material mounting              | Wrought aluminium alloy<br>With protective coating |
| Material bolt                  | High-alloy stainless steel                         |
| Material sleeve                | Spring steel                                       |
| Material bearing               | Polymer                                            |
| Material screws                | High-alloy stainless steel                         |
| Material lock                  | High-alloy stainless steel                         |
| Material shaft                 | High-alloy stainless steel                         |
