

# Suction cup without connector ESV-20-EF

Part number: 191026

FESTO

 General operating condition

## Data sheet

| Feature                                     | Value                                            |
|---------------------------------------------|--------------------------------------------------|
| Min. workpiece radius                       | 30 mm                                            |
| Suction cup diameter                        | 20 mm                                            |
| Suction cup volume                          | 0.722 cm <sup>3</sup>                            |
| Position of connection                      | Top                                              |
| Mounting position                           | optional                                         |
| Symbol                                      | 00991485                                         |
| Suction cup shape                           | Round extra deep                                 |
| Operating pressure                          | -0.095 MPa ... 0 MPa                             |
| Operating pressure                          | -0.95 bar ... 0 bar                              |
| Operating pressure                          | -13.775 psi ... 0 psi                            |
| Nominal operating pressure                  | -0.07 MPa                                        |
| Nominal operating pressure                  | -0.7 bar                                         |
| Nominal operating pressure                  | -10.15 psi                                       |
| Operating medium                            | Atmospheric air based on ISO 8573-1:2010 [7:-:-] |
| LABS (PWIS) conformity                      | VDMA24364-A1-L                                   |
| Suitable for use with food                  | See supplementary material information           |
| Ambient temperature                         | -10 °C ... 200 °C                                |
| Holding force at nominal operating pressure | 17 N                                             |
| Product weight                              | 1.6 g                                            |
| Colour                                      | grey                                             |
| Shore hardness                              | 60 +/- 5                                         |
| Note on materials                           | RoHS-compliant                                   |
| Material suction cup                        | FPM                                              |
