

**Clevis foot**  
**LBN-32**  
Part number: 195860

 [General operating condition](#)

**Data sheet**

| Feature                                            | Value                                                                                                                                                    |
|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 32                                                                                                                                                       |
| Mounting position                                  | optional                                                                                                                                                 |
| Corrosion resistance class CRC                     | 1 - Low corrosion stress                                                                                                                                 |
| LABS (PWIS) conformity                             | VDMA24364-B1/B2-L                                                                                                                                        |
| Suitability for the production of Li-ion batteries | Metals with more than 1% by mass of copper are excluded from use.<br>Exceptions are printed circuit boards, cables, electrical plug connectors and coils |
| Ambient temperature                                | -40 °C ... 150 °C                                                                                                                                        |
| Product weight                                     | 110 g                                                                                                                                                    |
| Note on materials                                  | RoHS-compliant                                                                                                                                           |
| Material mounting                                  | Steel<br>Galvanised                                                                                                                                      |
| Material bolt                                      | Steel<br>Galvanised                                                                                                                                      |
| Material lock                                      | Spring steel, galvanised                                                                                                                                 |
