

# Bus connection FBA-1-SL-5POL

Part number: 525634

FESTO

 [General operating condition](#)

## Data sheet

| Feature                      | Value                                                             |
|------------------------------|-------------------------------------------------------------------|
| Type of mounting             | With through-hole                                                 |
| Mounting position            | optional                                                          |
| Product weight               | 26 g                                                              |
| Electrical connection        | 9-pin/5-pin<br>Straight socket/straight plug connector<br>Sub-D/- |
| Operational voltage range DC | ≤24 V                                                             |
| Permissible current load     | 4 A                                                               |
| Degree of protection         | IP40                                                              |
| Ambient temperature          | -5 °C ... 50 °C                                                   |
| Storage temperature          | -20 °C ... 70 °C                                                  |
| LABS (PWIS) conformity       | VDMA24364-B2-L                                                    |
| Note on materials            | RoHS-compliant                                                    |
| Material housing             | PA                                                                |
| Housing colour               | Black                                                             |
| Material electrical contact  | Bronze<br>Bronze                                                  |
