

# Silencer U-3/8-20

Part number: 534224

FESTO

 [General operating condition](#)

## Data sheet

| Feature                            | Value                                    |
|------------------------------------|------------------------------------------|
| Mounting position                  | optional                                 |
| Size of pack                       | 20                                       |
| Symbol                             | 00991473                                 |
| Operating pressure                 | 0 MPa ... 1 MPa                          |
| Operating pressure                 | 0 bar ... 10 bar                         |
| Flow rate to atmosphere            | 6000 l/min                               |
| Operating medium                   | Compressed air to ISO 8573-1:2010 [7:::] |
| Note on operating and pilot medium | Lubricated operation possible            |
| LABS (PWIS) conformity             | VDMA24364-B1/B2-L                        |
| Sound pressure level               | 82 dB(A)                                 |
| Ambient temperature                | -10 °C ... 70 °C                         |
| Product weight                     | 29.6 g                                   |
| Pneumatic connection               | G3/8                                     |
| Material shock absorber insert     | PE                                       |
| Note on materials                  | RoHS-compliant                           |
