

# Gripper jaw blank BUB-HGPL-25

Part number: 537317

FESTO

## Data sheet

 [General operating condition](#)

| Feature                        | Value                                |
|--------------------------------|--------------------------------------|
| Size                           | 25                                   |
| Mounting position              | optional                             |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress        |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                    |
| Ambient temperature            | 5 °C ... 60 °C                       |
| Product weight per gripper jaw | 295 g                                |
| Type of mounting               | Via through-hole and centring sleeve |
| Note on materials              | RoHS-compliant                       |
| Material unmachined part       | Wrought aluminium alloy              |
