## Connecting cable NEBC-P1W4-K-0.3-N-M12G5 Part number: 549293

**FESTO** 

General operating condition

## **Data sheet**

| Feature  | Value   |
|--|---|
| Based on standard                                    | EN 61076-2-101  |
| Cable designation                                    | Without inscription label holder                        |
| Product weight                                       | 188 g   |
| Electrical connection                                | 5-pin<br>M12x1<br>Straight plug<br>Square design/angled |
| Electrical connection 1, function                    | Field device side                                       |
| Electrical connection 1, design                      | Angular   |
| Electrical connection 1, connection type             | Socket  |
| Electrical connection 1, cable outlet                | Angled  |
| Electrical connection 1, connector system            | Connection pattern P1                                   |
| Electrical connection 1, number of connections/cores | 4   |
| Electrical connection 1, used connections/cores      | 4   |
| Electrical connection 1, type of mounting            | Central screw M3  |
| Electrical connection 2, function                    | Controller side   |
| Electrical connection 2, design                      | Round   |
| Electrical connection 2, connection type             | Plugs   |
| Electrical connection 2, cable outlet                | Straight  |
| Electrical connection 2, connector system            | M12x1, A-coded to EN 61076-2-101                        |
| Electrical connection 2, number of connections/cores | 5   |
| Electrical connection 2, used connections/cores      | 4   |
| electrical connection 2, type of mounting            | Screw-type lock   |
| Electrical connection 2, connection pattern          | 00997355  |
| Operational voltage range DC                         | 0 V 30 V  |
| Operational voltage range AC                         | 0 V 30 V  |
| Current rating at 40° C                              | 4 A   |
| Immunity to surge                                    | 0.8 kV  |
| Protective conductor connection                      | Available   |
| Shielding  | yes   |
| Cable length   | 0.3 m   |
| Cable characteristic                                 | Standard  |
| Min. cable bending radius                            | 90 mm   |
| Bending radius, fixed cable                          | ≥90 mm  |
| Cable diameter                                       | 5.9 mm  |
| Permissible cable diameter                           | 5.7 mm 6.1 mm   |

| Feature                                      | Value                                |
|--|--------------------------------------|
| Cable structure                              | 4 x 0.34 mm <sup>2</sup>             |
| Nominal cross section conductor              | 0.34 mm <sup>2</sup>                 |
| Degree of protection                         | IP65                                 |
| Note on degree of protection                 | In assembled state                   |
| Ambient temperature                          | -25 °C 80 °C                         |
| Ambient temperature with moving cable        | -5 ℃ 70 ℃                            |
| CE mark (see declaration of conformity)      | In accordance with EU RoHS Directive |
| UKCA marking (see declaration of conformity) | To UK RoHS instructions              |
| LABS (PWIS) conformity                       | VDMA24364-B2-L                       |
| Note on materials                            | RoHS-compliant                       |
| Pollution degree                             | 3                                    |
| Corrosion resistance class CRC               | 0 - No corrosion stress              |
| Material cable sheath                        | PVC<br>TPE-U(PUR)                    |
| Cable sheath colour                          | Grey                                 |
| Material housing                             | TPE-U(PUR)                           |
| Housing colour                               | Black                                |
| Material insulating sheath                   | PVC                                  |
