

# Swivel flange SNGB-200-B

Part number: 562455

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Size                           | 200                           |
| Based on standard              | ISO 15552                     |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B2-L                |
| Ambient temperature            | -40 °C ... 90 °C              |
| Product weight                 | 10020 g                       |
| Note on materials              | RoHS-compliant                |
| Material mounting              | Steel<br>Galvanised           |
| Material bolt                  | Galvanised steel              |
| Material sleeve                | Steel                         |
| Material bearing               | Polymer                       |
| Material disc                  | Galvanised steel              |
| Material screws                | Galvanised steel              |
| Material lock                  | Spring steel, galvanised      |
