## Data sheet

| Feature                          | Value                               |
|----------------------------------|-------------------------------------|
| Type of actuation                | Electric                            |
| Mounting position                | optional                            |
| Switching position indicator     | no                                  |
| Duty cycle                       | 100%                                |
| Insulation material class        | H                                   |
| Characteristic coil data         | 24 V DC: 3.5 W                      |
| Permissible voltage fluctuations | -15%/+10%                           |
| Corrosion resistance class CRC   | 4 - Very high corrosion stress      |
| LABS (PWIS) conformity           | VDMA24364 zone III                  |
| Degree of protection             | IP65                                |
| Ambient temperature              | -20 °C ... 60 °C                    |
| Product weight                   | 530 g                               |
| Electrical connection            | Type A<br>Plugs<br>To EN 175301-803 |
