

# Adapter kit DHAA-G-G6-16-B8-25

Part number: 564952

 [General operating condition](#)

## Data sheet

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Mounting position              | optional                      |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L             |
| Note on materials              | RoHS-compliant                |
| Material plate                 | Wrought aluminium alloy       |
