

# Bus node CTEU-AS

Part number: 572555

FESTO

[General operating condition](#)

## Data sheet

| Feature                                      | Value  |
|--|--|
| Protocol                                     | AS-Interface   |
| Dimensions (W x L x H)                       | 40 x 91 x 50 mm  |
| Grid dimension                               | 40 mm  |
| Type of mounting                             | On electrical interface<br>On electrical sub-base  |
| Product weight                               | 90 g   |
| Ambient temperature                          | -5 °C ... 50 °C  |
| Storage temperature                          | -20 °C ... 70 °C   |
| Degree of protection                         | IP65<br>IP67   |
| Note on degree of protection                 | In assembled state<br>Unused connections sealed  |
| Corrosion resistance class CRC               | 2 - Moderate corrosion stress  |
| LABS (PWIS) conformity                       | VDMA24364 zone III   |
| CE mark (see declaration of conformity)      | To EU EMC Directive<br>In accordance with EU RoHS Directive                                      |
| UKCA marking (see declaration of conformity) | To UK instructions for EMC<br>To UK RoHS instructions  |
| Approval                                     | c UL us listed (OL)  |
| Note on materials                            | RoHS-compliant   |
| Material housing                             | PA   |
| LED display, product-specific                | PS: Operating voltage for electronics and load supply<br>X1: System status of module at I-Port 1 |
| LED display, bus-specific                    | AS-i: AS-Interface mode  |
| Diagnosis                                    | Communication fault<br>System diagnostics<br>Undervoltage  |
| Operator controls                            | DIL switch   |
| Fieldbus interface                           | AS-Interface   |
| Field bus, protocol                          | AS-Interface   |
| Fieldbus interface, function                 | Incoming bus connection<br>Power supply  |
| Field bus, connection type                   | Plugs  |
| Field bus, connection system                 | M12x1, A-coded according to EN 61076-2-101   |
| Fieldbus interface, connection pattern       | 00995386   |
| Field bus, connection pattern                | 4  |
| Fieldbus interface 2, function               | Outgoing bus connection<br>Power supply  |

| Feature  | Value                               |
|--|-------------------------------------|
| Fieldbus interface 2, connection type              | Socket                              |
| Fieldbus interface 2, connection technology        | M12x1, A-coded to EN 61076-2-101    |
| Fieldbus interface 2, connection pattern           | 00995385                            |
| Fieldbus interface 2, number of pins/wires         | 4                                   |
| Max. address volume, inputs                        | 2 Byte                              |
| Max. address volume, outputs                       | 2 Byte                              |
| Parameterisation                                   | Watchdog disable<br>Watchdog enable |
| Internal cycle time                                | 10 ms                               |
| Configuration support                              | None                                |
| Operational voltage range DC                       | 20 V ... 31.6 V                     |
| Nominal operating voltage DC                       | 30 V                                |
| Max. power supply                                  | 4 A                                 |
| Intern power consumption nominal operating voltage | Typ. 50 mA                          |
