

# Fixed flow restrictor VFFG-T-F4-15

Part number: 8047352

FESTO

 [General operating condition](#)

## Data sheet

| Feature                            | Value                                                                                      |
|------------------------------------|--------------------------------------------------------------------------------------------|
| Valve function                     | Flow control function                                                                      |
| Type of mounting                   | Tapped                                                                                     |
| Operating pressure                 | -0.09 MPa ... 1 MPa                                                                        |
| Operating pressure                 | -0.9 bar ... 10 bar                                                                        |
| Ambient temperature                | -5 °C ... 60 °C                                                                            |
| Approval                           | c UL us - Recognized (OL)                                                                  |
| Size                               | For ø 4 mm                                                                                 |
| Nominal size                       | 1.55 mm                                                                                    |
| Operating medium                   | Compressed air to ISO 8573-1:2010 [7:4:4]                                                  |
| Note on operating and pilot medium | Lubricated operation possible (in which case lubricated operation will always be required) |
| LABS (PWIS) conformity             | VDMA24364-B1/B2-L                                                                          |
| Storage temperature                | -10 °C ... 60 °C                                                                           |
| Product weight                     | 0.4 g                                                                                      |
| Note on materials                  | RoHS-compliant                                                                             |
