

# Shock absorber retainer DAYP-L8-32

Part number: 8069007

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                            |
|--------------------------------|----------------------------------|
| Size                           | 32                               |
| Mounting position              | optional                         |
| Corrosion resistance class CRC | 1 - Low corrosion stress         |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                |
| Ambient temperature            | 0 °C ... 60 °C                   |
| Product weight                 | 429 g                            |
| Type of mounting               | With through-hole                |
| Note on materials              | RoHS-compliant<br>Free of copper |
| Material stops                 | High-alloy stainless steel       |
| Material stop screw            | Galvanised steel                 |
| Material nut                   | Galvanised steel                 |
