

# Adapter plate kit EHAM-MA-E19-25-C11

Part number: 8140774

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Size                           | 20<br>25<br>26<br>32          |
| Mounting position              | Vertical                      |
| Design                         | Mounting kit                  |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B2-L                |
| Ambient temperature            | -20 °C ... 80 °C              |
| Product weight                 | 71 g                          |
| Type of mounting               | Via through-hole and screw    |
| Interface code, basis          | E8-35                         |
| Interface code, setup          | E8-35                         |
| Note on materials              | RoHS-compliant                |
| Material adapter plate         | Anodised aluminium            |
| Material screws                | Steel                         |
| Material centering elements    | High-alloy steel              |
