

# Centring sleeve ZBH-5

Part number: 8210493

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                            | Value                                                                                                                                                    |
|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 5                                                                                                                                                        |
| Mounting position                                  | optional                                                                                                                                                 |
| Size of pack                                       | 10                                                                                                                                                       |
| Corrosion resistance class CRC                     | 2 - Moderate corrosion stress                                                                                                                            |
| LABS (PWIS) conformity                             | VDMA24364-B2-L                                                                                                                                           |
| Suitability for the production of Li-ion batteries | Suitable for battery production according to the Festo internal definition of the degree of severity F1A with restrictions regarding the use of Cu/Zn/Ni |
| Product weight                                     | 0.2 g                                                                                                                                                    |
| Note on materials                                  | RoHS-compliant                                                                                                                                           |
| Material sleeve                                    | High-alloy stainless steel                                                                                                                               |
